RELEASED IN PART  
B6

Janelle,

Thanks for the information. I met with [ ] earlier in the week to discuss the Catatumba issue. There are more than a dozen towns isolated by the AUC (paramilitaries). The fighting in the area has been going on since January and [ ] doesn't believe it will end any time soon. So far, [ ] has been able to get their trucks in and out of the area with much needed food and other supplies. [ ] that there was some border crossing, but didn't believe large numbers were staying in Venezuela, as many were returning to Colombia once things settled down.
